TREASURES FROM OUR TRADITION

Although the procession with palms has an unforgettable grip on our imagination, the real emphasis of this day's liturgy is contained in its name: Palm Sunday of the Passion of the Lord. Since 1955, the old custom of a blessing of palms with procession of the people has marked the entry of the Church into a time so rich that it is called "Holy Week." The center of today's liturgy, however, is the solemn reading of the Passion, this year taken from Mark's Gospel. Our community is to be transformed by its celebration of Easter, and so this week everything is made new. Soon, the bishop will celebrate the "Chrism Mass" when the holy oils for the sacraments will be completely replenished and blessed, and transported from the cathedral to every parish. Easter is the first Sunday after the first full moon of springtime. Be on the lookout later this week for this "paschal" moon, rising in the east at the precise moment the sun sets in the west. Imagine: a day when there is not a single moment when the earth is not bathed in light from the heavens. We are on the threshold of the three great days (Triduum): Friday, Saturday, and Sunday, beginning at sunset on Thursday when the parish gathers in response to the Lord's command: "Do this in memory of me."
